I am a part of all that I have met.

— Tennyson

There are places I'll remember all my life, though some have changed, some forever, not for better, some have gone and some remain. All these places had their moments, with lovers and friends I still can recall, some are dead and some are living; in my life I've loved them all. I know I'll never lose affection for people and things that went before. I know I'll often stop and think about them.

— Lennon and McCartney

One day you'll look to see I've gone, for tomorrow may rain so I'll follow the sun. And now the time has come and so my love, I must go. And though I lose a friend in the end you will know.

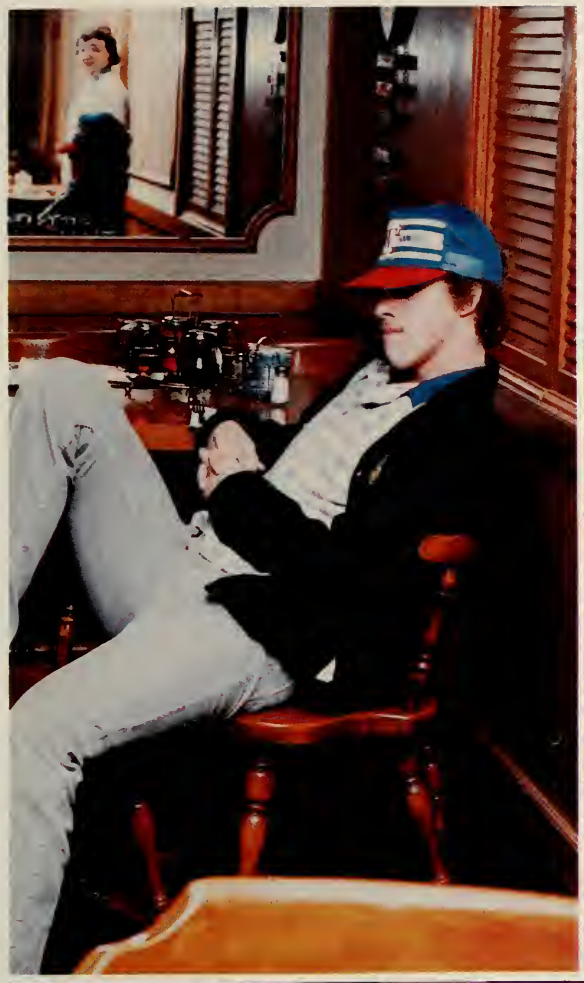
— Lennon and McCartney

Don't be dismayed at goodbyes. A farewell is necessary before you can meet again. And meeting again, after moments of lifetimes, is certain for those who are friends.

— Bach

Be courteous, kind, and forgiving.
Be gentle and peaceful each day.
Be warm and human and grateful,
And have a nice thing to say.

— Steve Martin

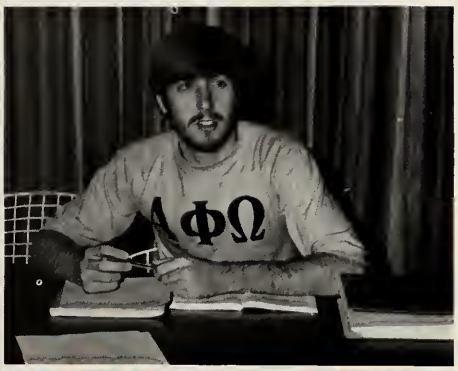


As every thread of gold is valuable, so is every minute of time.

Mason

Though nothing can bring back the hour
Of splendor in the grass, of glory in the
flower;
We will grieve not, rather find
Strength in what remains behind.

— Wordsworth

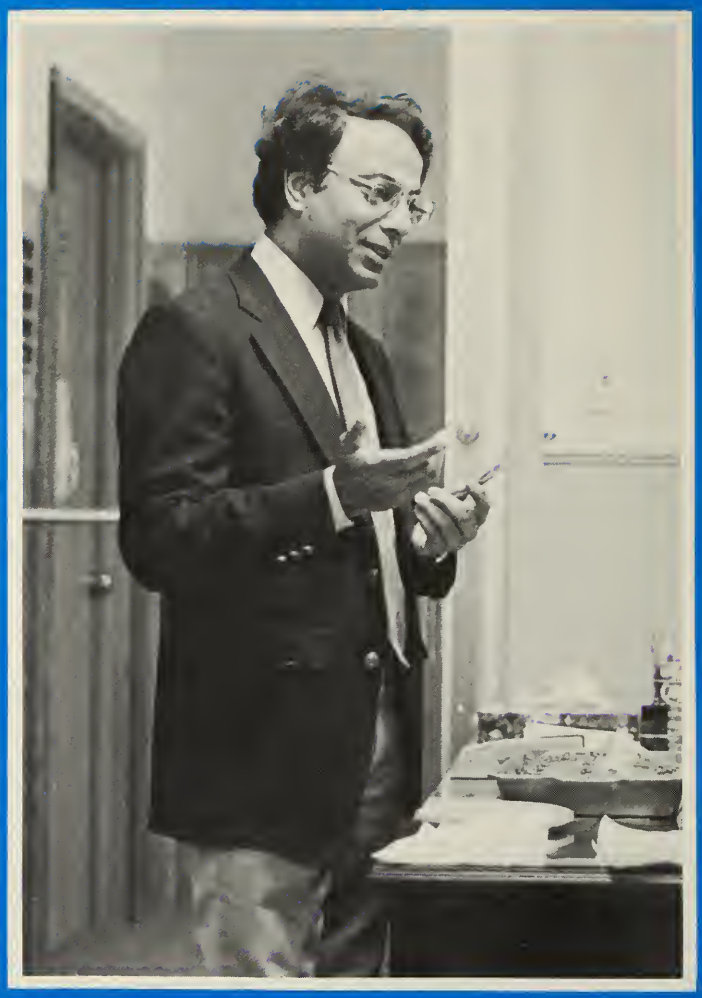


ΛΦΩ

Knowledge comes but wisdom lingers, and I linger on the shore, and the individual withers, and the world is more and more.

— Tennyson

# DEDICATION — "A great teacher is one who is lucky enough to have great students." — K. Luther



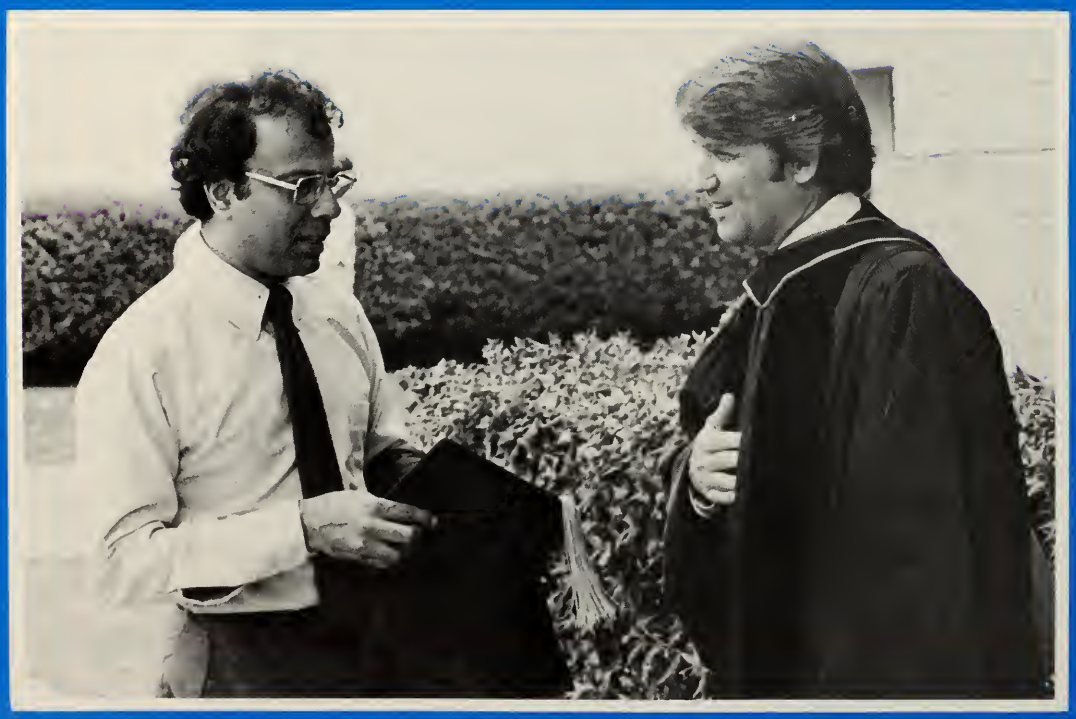
Professor K.A.N. Luther was the recipient of the TXWECO dedication this year. Each year the senior class dedicates the TXWECO to a member of the faculty or staff who does more than he has to. Mr. Luther is particularly deserving of this "elegant" award.

Mr. Luther is Punjabi by birth, Kenyan by nationality, and Texan by choice. He lived in Kenya and England before coming to the U.S. He is almost fully Americanized, but he has not yet acquired a taste for the ultimate in Americana — chocolate chip cookies. He is, however, very fond of Texas chili.

Kan teaches courses in economics and statistics both here at Wesleyan and at the graduate level at the University of Texas at Dallas. Students are fond of him because he takes time to help individuals with any problems. Wesleyan students voted him "Educator of the Year" in 1978.

Mr. Luther is highly respected by other faculty and staff members as well as students. Wesleyan Vice President Jake Schrum once commented "He's a professor with intellectual curiosity, and he dresses like a 'preppie' to boot."

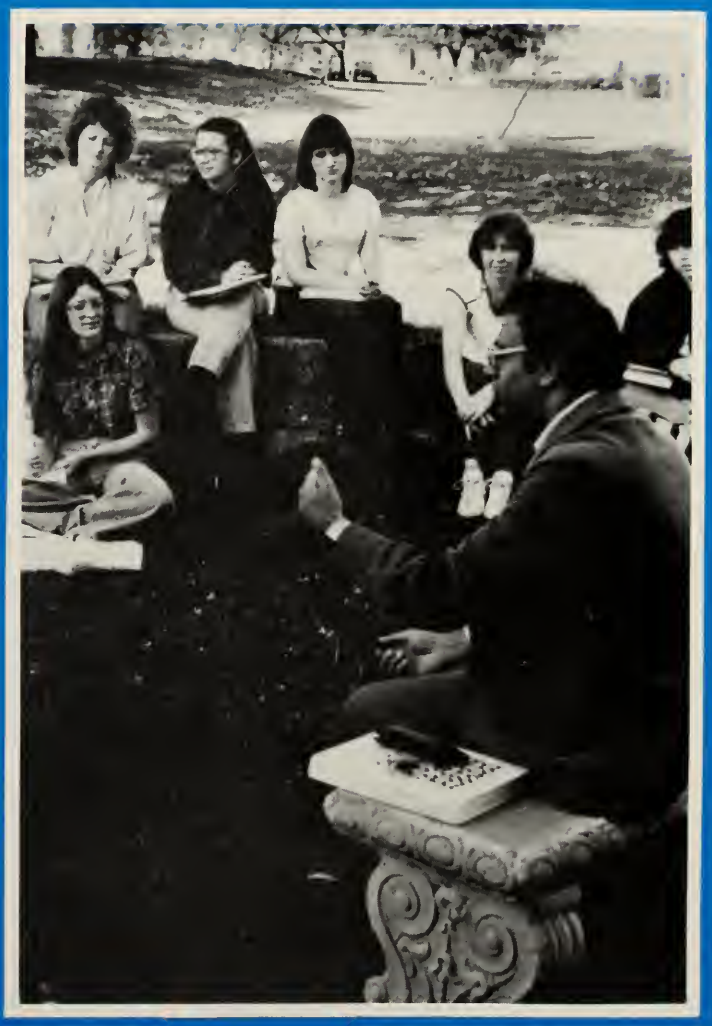
Kan's two favorite sayings, "Are you with me?" and "Do you have a sense for this?", will long be remembered at Wesleyan as will he himself. Clearly, Kan Luther is a worthy recipient of the TXWECO dedication.



"Perhaps all talents could be suited if the right line of exploration could be found for everybody, if a highly endowed and leisurely and infinitely sympathetic and all-wise body of directors could forever suggest subjects, all demanding creative power, but in the one case calling mainly for ingenuity, in another for imagination, in another for judgment, in another for construction; industry and accuracy might fairly be expected of everyone."

— Charles Hall Grandgent

Nature Notes: Cats
Incorrigible, uncommitted,
They leavened the long flat hours of my childhood,
Subtle, the opposite of dogs,
And, unlike dogs, capable
Of flirting, falling, and yawning anywhere,
Like women who want no contract
But going their own way
Make the way of their lovers lighter.
— Louis MacNeice



Old Stewball was a racehorse,
I wish he were mine,
He never drank water;
He always drank wine.
— Peter, Paul, and Mary

# Registration Rises To 1669

The 1980 fall registration united new and returning TWC students. During the never-ending lines and confusion, old friends caught up on each other's summer, and new friendships developed. Freshmen registered first this year, resulting in a much smoother Freshman registration. New courses, such as communications, were added to the curriculum. Registration reached an all-time high, the official count being 1669. Registrar Buddy Carter attributed this increase to many things, including Dr. Fleming's T.V. spots, more media coverage, and the recruiting efforts of Admissions.

Sandy Shoop and Carolyn Helbert finally reach the last table.

"I wonder if they'll take Visa?" muses Barbie Miers.

Donna Bratton and Brian Standridge fill out their cards.

Randy Owen, Lori Perry, and John Burge take time out to get reacquainted.

Kris Foote and Gwen Throne give out class cards.

Sherri Debo waits for her bill to be tabulated.

Lines are a seemingly unending part of registration.

Kathryn Helbert asks David Havea about a charge.

Registrar Buddy Carter solves one of the problems that arise as students register.

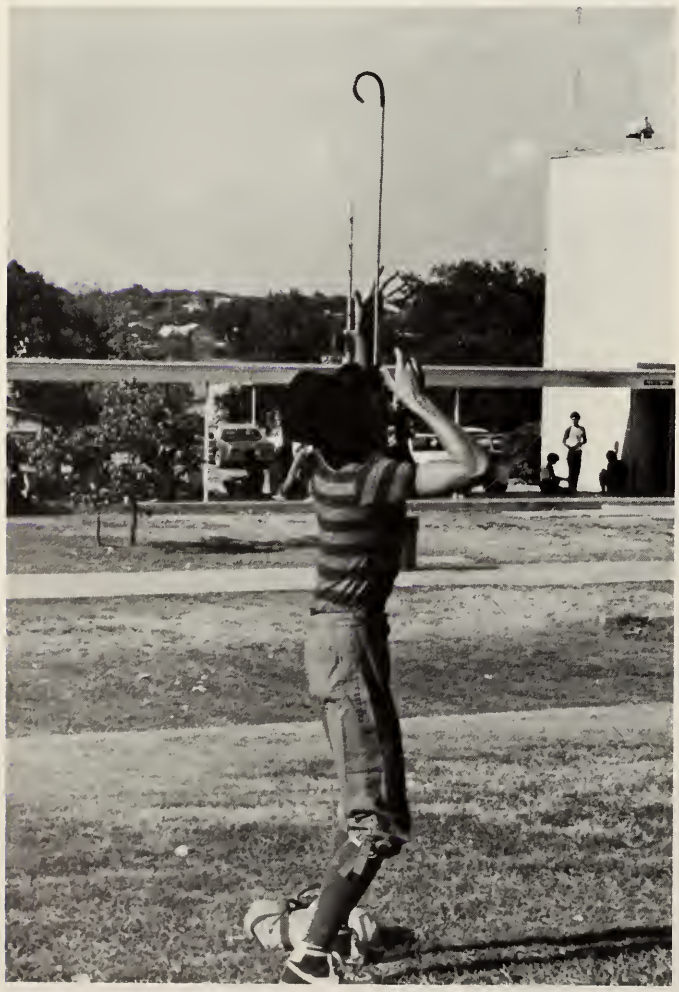
So THIS is college?!!

# Semester Begins With

TWC opened the fall semester with fun and festivities in the true tradition of Howdy Week. The Student Activities Office, in conjunction with the Student Government Association, planned a fun-filled week to welcome new and returning students. The week began with a college Bar-B-Q, featuring a delightful mime act as entertainment. The SGA provided free drinks and ice cream throughout the week. A showing of the movie "Breaking Away", followed by a pizza party in the SUB, was one of the week's evening activities. The first celebrity series of the season, a concert by the musical group The Shoppe, proved to be a big hit. The week ended with the SGA Howdy party featuring music, food, and prizes.

Andy Carter and Hubert Starnes clown around at the Howdy Dance.

"What do you mean there's no more Bar-B-Q?"



The mime actor entertains at the Bar- B-Q.

Bobbie Stewart, Vicki McMullen, Barbie Miers, and Sarah Leach provide "service with a smile" at the pizza party.

The Shoppe provides fun for all with country music at its hysterical best.

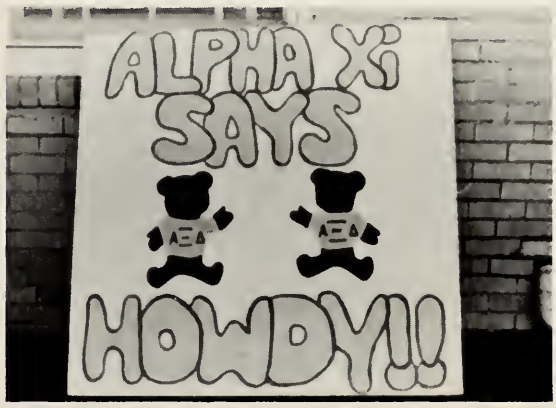
# Greeks Grab 39

Fall Social Sorority Rush was September 14-19. It was a week full of fun and excitement for all the girls involved. The three social sororities, Alpha Xi Delta, Gamma Phi Beta, and Phi Mu participated in rush. The week began Sunday with an informal tea to acquaint the rushees with the sororities. During the week, each sorority gave an informal and a formal party. Friday morning was the time for decisions, and bids were posted that afternoon. A total of 72 girls went through rush, 50 going through formal rush, and 22 going through informal rush the following week. All told, 39 girls pledged to the social sororities.

The sisters of ΓΦΒ entertain the rushees with a skit from "Chorus Line."

Phi Mu takes the rushees back to Pinky's Palace in the 1920's.

Panhellenic members Donna Linton and Terri Parks serve at the informal tea.



The informal parties allow rushees to learn about the sororities.

Members of ΑΞΔ use a song to express their ideas about sisterhood.

# Service Rush A Success

Gamma Sigma Sigma, National Service Sorority, held its rush the week of September 15. On Tuesday, an informal party was held in Ann Waggoner Lounge and entertainment was provided by the Beaus and Gamma Sig's own version of the hit television show "Dallas." A formal party was held on Saturday and lunch was served. The week ended with an Induction Ceremony at Poly Methodist on Sunday and lunch at Bonanza for the eight girls who pledged.

Kathryn Helbert uses her feminine wiles to entice new members.

Honorary Member Jake Schrum wonders what he is doing in the middle of these silly girls.

Beaus Bruce Wallace and Darrell Hayward get a kick out of Gamma Sig.

Pledgemom Linda Hutyra serves refreshments.

"J.R." Klimpel and "Sue Ellen" Helbert entertain prospectives with scenes from "Dallas."

Karen Kennemer and Lesa Goetz wonder if Gamma Sig is really worth all this.

Dr. Pate received an honorary Doctor of Business and Finance degree. He was also awarded the "Friend to Alumni" Award. Mrs. Pate received the honorary Doctor of Fine Arts degree. Dr. Fleming presented the honorary degrees.

The guest speaker for the occasion was R. Buckminster Fuller, the well known American architect. He is best known as the designer of the Geodesic Dome. Mr. Fuller also spoke to a student assembly later that day. His visit served as the October Celebrity Series, sponsored by the Student Life Office.

Dr. Fleming presents Dr. Pate with an honorary degree.

Mr. Fuller speaks on "Humans in the Universe."

Mrs. Pate graciously thanks TWC for the honorary doctorate.

# Politicians Visit Campus

House Majority Leader Jim Wright

The Wesleyan campus was visited by political opponents Congressman Jim Wright and House-of-Representatives-hopeful Jim Bradshaw in October. Wright appeared before students in the Science Lecture Theater on October 30 and spoke of problems facing the Carter Administration and the world in general. A question-and-answer session was held after the speech. On October 31 Bradshaw addressed the Wesleyan community on such issues as the upcoming Presidential election and the consequences of the outcome. Both Wright And Bradshaw were running for Representative of the 51st Congressional District, which, incidentally, is the district in which Wesleyan is located. The speeches were well-attended and informative.

Originally from Texas, the five-man group has appeared with great artists such as Bob Hope, Ray Price, and Dolly Parton, just to name a few. # Conway And Siegelman Present "Snapping"

Noted authors Flo Conway and Jim Siegelman presented an in-depth program on "Snapping" as part of the spring celebrity series. "Snapping" refers to the student personality change that occurs during a cult's initiation process when the subject is bombarded by certain techniques borrowed from Freudian therapy and Skinnerian behavior modification. Ms. Conway and Mr. Siegelman explained how these techniques are used to slowly and methodically break down the individual's awareness and destroy his free will. They pointed out the incredible growth of cults in America during the last decade. The primary targets of many of these cults have been college students.

Jim Siegelman lectures on the serious threat these cults pose to college students today.

# S.G.A. Sponsors Ski Trip

The Student Government Association is constantly introducing new programs to the students at Wesleyan, and this year is no exception. The S.G.A. sponsored a ski trip to Purgatory, Colorado which was open to all students, faculty, and other interested people. Over spring break, the group got on a bus and started a week-long adventure. One of the highlights of the trip, according to S.G.A. President Dianne Thorley, was meeting Robert Conrad and his wife on the slopes. A good time was had by all attending, and the S.G.A. hopes to make the trip an annual tradition. (Photography on this page by Dan Catlin.)

# "Scapino"- A Long

For the spring production, the TWC drama department presented the wonderful comedy "Scapino." The production was directed and produced by Mr. Joe Brown. The setting for the story was a cafe on a dock in Naples. The comedy revolved around the mixed-up romances of two sons and Scapino's efforts to trick the fathers into accepting their sons' marriages. Of course, in the end it all turned out, but only through the wildest of coincidences. The production was a hilarious success.

# Phone-A-Thon Raises

Texas Wesleyan College held its second annual phonathon in March. The 1980 phonathon raised over $71,000, and the 1981 goal was $100,000. The event is sponsored by the Alumni Association in conjunction with the Student Foundation. Jean Kirkpatrick, Director of Alumni Relations, coordinated the phonathon. Volunteers called over 7,000 alumni, and the average pledge received was about $35. Organizations participated in the phonathon and prizes were awarded to the three that raised the most donations. Pi Kappa Alpha won first place. Nightly prizes were also awarded to individuals who raised the most each night. Mystery guests, portrayed by various staff, students, and alumni, appeared to liven things up and to add to the fun. These guests included Miss Piggy, Blacula, Fagin, Don Juan Wallace, Spider Man, and Rosanne Rosanna Danna. The phonathon was a great success. Everyone had a lot of fun, and over $90,000 was pledged. Donations continued to pour in during the rest of the semester, and administrators expected that the 1981 goal would be reached before the end of the term.

# TWC Presents **Oliver**

The TWC drama department presented the musical comedy **Oliver** as the 1981 spring production. The musical's storyline follows that of the original **Oliver Twist,** but it is lighter and has some character changes. Fagin is portrayed as a kinder, more lovable character.

Although TWC students played all the adult roles, auditions were held for the children's parts. Talented Chris Largen was cast as Oliver. The production was a wonderful success. Linda Peterson was outstanding in her role as Nancy. Michael Black played the benevolent Fagin, and Danny Kitchens was cast as the delightful Artful Dodger. The terrible scoundrel Bill Sikes was played by Mark Wilson.

Also responsible for the show were Mason Johnson, Director and Choreographer; David Pelton, Musical Director; Joe Brown, Production Designer; Donald W. Bellah, Producer; and Cecil Cole, Technical Advisor.

The cast, crew, staff, orchestra, and advisors all put forth a great effort in presenting their successful production of **Oliver.**

# Tudor Receives Doctor Of Divinity

In a special convocation on Wednesday, March 4, Texas Wesleyan College conferred the Honorary Degree of Doctor of Divinity upon Richard John Tudor. Reverend Tudor is one of the most outstanding Methodist ministers of Great Britain. He is currently Superintendent Minister of Westminster Central, the first among all Methodist churches in England.

Reverend Tudor attended Harley Victoria Theological College and the University of Manchester. He has visited and served at missions in America and was made an Honorary Texan in 1965.

The convocation began with great pomp and ceremony as the faculty and administration entered in full academic regalia. The man being honored was R. Buckminster Fuller, noted architect and creator of the geodesic dome. Dr. Fuller has written several works on his concepts. He has received numerous awards and honors. After being presented the honorary degree of Doctor of Humanities, Dr. Fuller addressed the convocation. He told of his life and of the insights and experiences he has gained in his eighty-five years. He spoke of the wonderful achievements by mankind throughout history. He also emphasized the continuing need for humanitarianism.

Dr. Fleming presents Dr. Fuller with the honorary degree.

# Renovation

A massive renovation plan is currently underway to modernize and to restore the entire Texas Wesleyan campus. Dan Waggoner Hall was the first building to be renovated. Classes and faculty offices were moved into the restored building last fall. The first stage of the Administration building, including the new board room and administration offices, was the next step. Plans are currently being finalized for the new library. This project will be funded by Mr. James West's generous twelve million dollar contribution. The new student center should be open in Fall 1981. Then the plans for the library can really get under way. The whole renovation process will span at least ten years. Future major proposals in this process include restoration of Ann Waggoner Hall, renovation of the Fine Arts facilities, additional alterations in the Administration building, expansion of the gym and recreational facilities, and the building of a campus chapel.

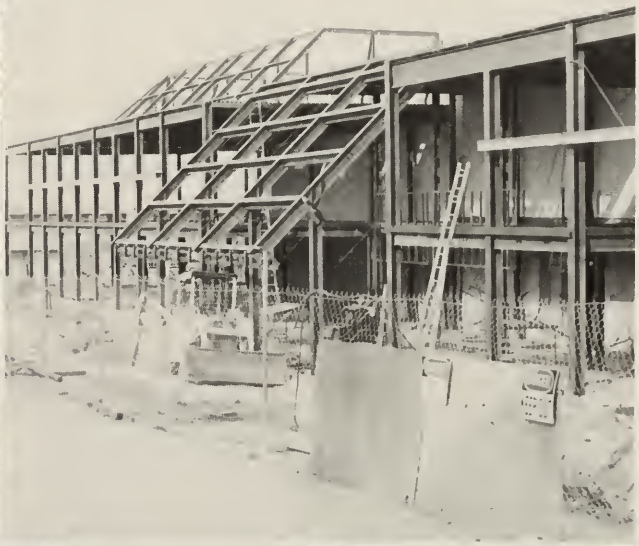
Many smaller steps in the improvement of the campus are already noticeable: the residence halls were given new carpeting and lounge furniture, Ann Waggoner Hall and Mulkey Hall were painted, the cafeteria was remodeled, and a new lawn sprinkler system was added.

The major renovation process will not be completely finished until after all the current students are gone, but they can see the step-by-step progress. The current students will benefit from some of the present changes, and all can take pride in the improvements and additions under way.

The student center should be completed in Fall 1981.

The new student center will be added to the back of Sid Richardson Gymnasium.

# Around Campus



# Service Groups Play Vital

Gamma Sigma Sigma and Alphi Phi Omega, being the only service organizations on the Wesleyan campus, were very busy serving both Wesleyan and the surrounding community. They worked with each other on campus in serving and cleaning up banquets, ushering the musical, and planning and organizing the Carter Center blood drive. Pledges from both groups sponsored a "Kiss Willie" contest in which various faculty and staff members volunteered to kiss the school mascot, Willie the Ram, to raise money for the American Heart Fund. The two organizations also jointly sponsored a walk-a-thon held in April; the proceeds went to the Lena Pope Home in Fort Worth. Life was not all work and no play for the groups, though, as they held joint parties in both the fall and the spring. One of the social highlights of the year was the Great Kidnap — Gamma Sig kidnapped A.P.O. at 4:30 one Sunday morning in retaliation for their shoe-polishing Gamma Sigs' cars at a slumber party. Both their work and social events together brought the two groups closer throughout the year. Even sponsors and honorary members of the organizations got in on the fun at various service projects and parties.

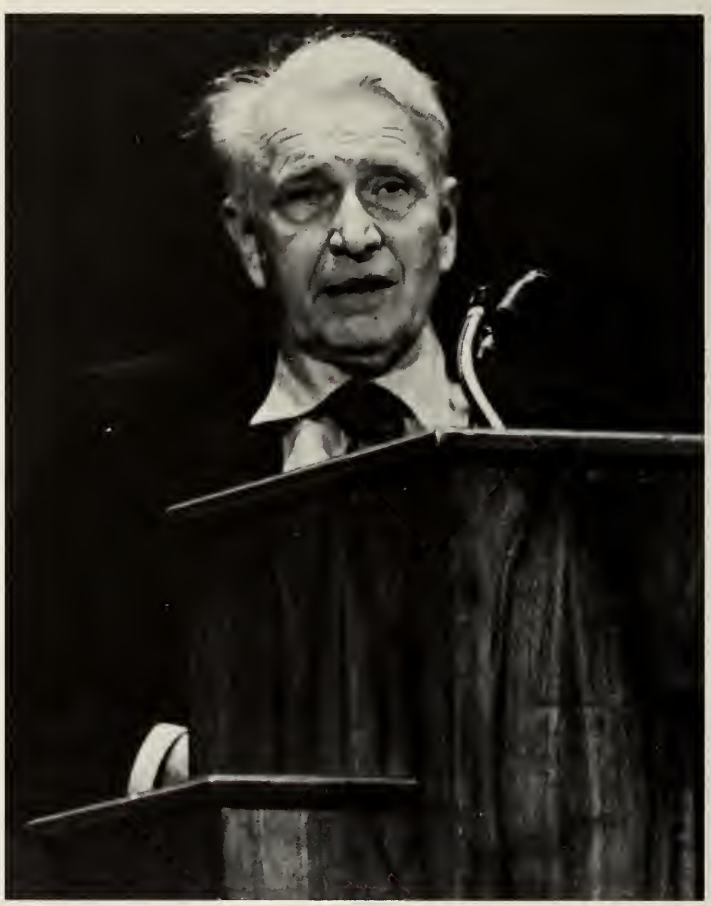
# Noted Scientist Visits Wesleyan



Dr. Erwin Chargaff was the speaker at the Willson Lecture on April 2. The Willson Lectures are held annually to bring noted personalities to Wesleyan. They are funded by Mrs. Mavis Willson of Floydada, Texas.

Chargaff is a biochemist who laid the groundwork for our understanding of the nucleic acids and their roles in genetics. He was instrumental in the discovery of DNA. He is a professor emeritus of the College of Physicians and Surgeons at Columbia University in New York.

Chargaff was born in Austria, and he received his doctorate in chemistry from the University of Vienna. He has received honorary doctorates from Columbia University and the University of Basel.

Chargaff spoke on the decline of scholarship and the rise of "experts." He says, "The rise and institutionalization of the specialist, the expert, and the professional has driven out and made impossible what used to be considered scholarship, and that mankind has been made poorer." He hopes for a return to scholarship and a quest for equality.

# Wesleyan Honors Wests

Two honorary degrees were presented at the spring graduation ceremonies held at Will Rogers Memorial Auditorium on May 15. The degrees presented were a Doctor of Humanities to Mrs. Eunice West and a Doctor of Business Administration to Mr. James L. West.

The Wests, in October, 1980, donated twelve million dollars to Wesleyan for the construction of the Eunice and James L. West Library. The Wests have given very generously to many worthy causes in the past, but the gift to Wesleyan is one of the largest single donations ever made to a private college in the state of Texas. The Texas Senate presented the Wests with a citation commemorating their significant gift.

Mr. West has spent much of his business career with the Tandy Corporation and their related companies. He is the Vice Chairman of the Board of Directors of the Tandy Corporation at present. He is also a member of the Executive Committee of the Board of Trustees at Wesleyan.

All students and faculty can be grateful to the Wests for their unselfish generousity. The money will build a much-needed library — a library that will meet the needs of students and will be an integral part of the master plan for renovation of the campus.

# SPORTS

# Wesleyan Wins With Pride

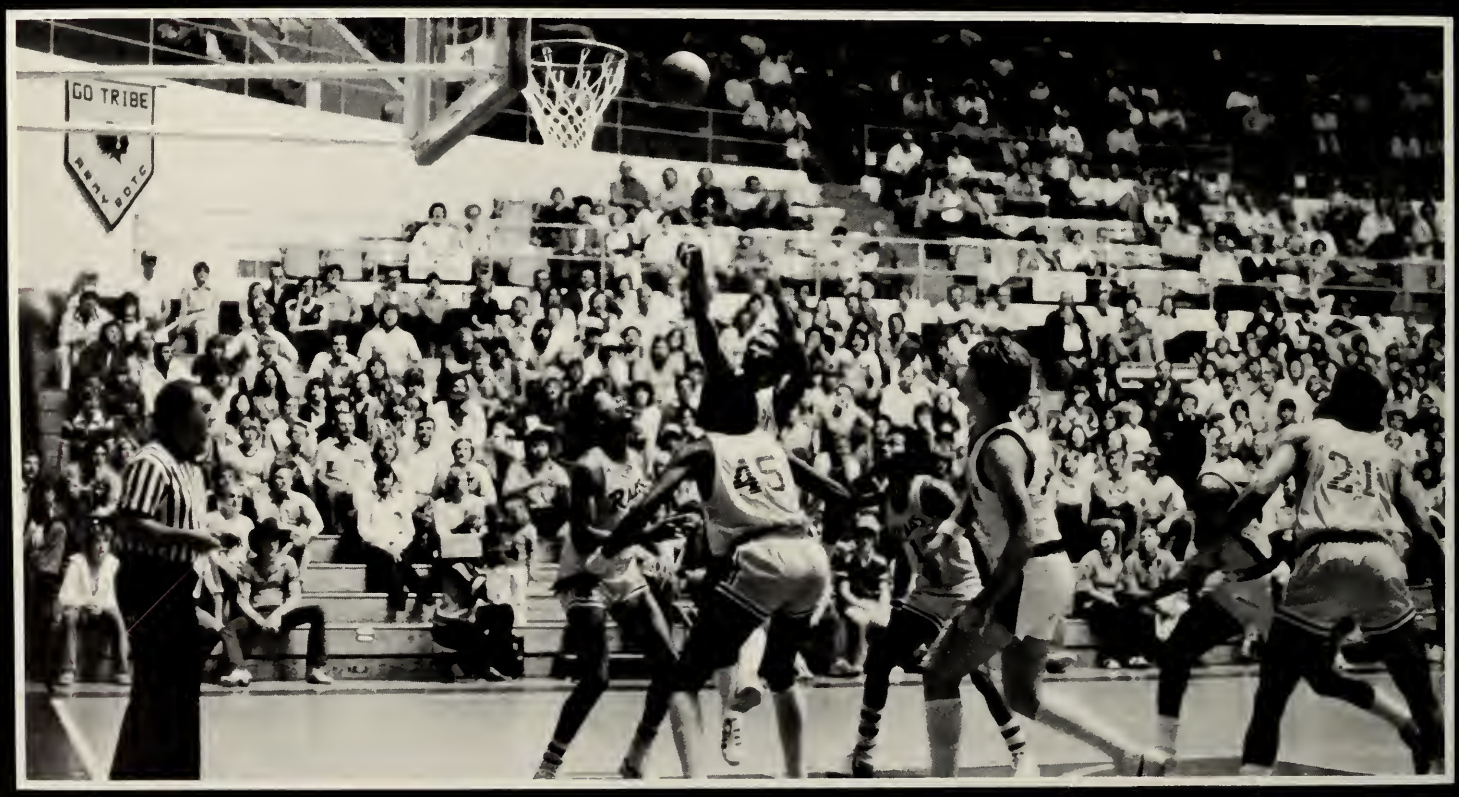
Ram basketball was really exciting this year. The Wesleyan roundballers made it to the semifinal round of the District 8 playoffs after having a season record of 20-12. This achievement is a vast improvement over last year's standing of 10-25. The Rams were able to have a winning season in spite of the fact that they had only thirteen home games compared to eighteen road games.

Undoubtedly one of the season highlights was the Wesleyan win over S.M.U. in December. Coach John Howerton said, "That has to be the greatest victory in Texas Wesleyan basketball history." In addition to beating the S.M.U. Mustangs, the Rams defeated Southwestern University twice during the season. It had been three years since the Rams had beat the S.U. Pirates.

The Rams had their share of honors this season. Only Wesleyan and Midwestern had more than one member each of the All-District Team. These players were Charles Fields and Demetric Shaw. Fields was the Rams' leading scorer with 623 points. Shaw was named to the team for the second consecutive year.

All in all, this was a year of triumphs for the Rams. Their winning gained media recognition for Wesleyan. Future winning seasons will play a vital role in the life of the college.

Charles Fields, the Rams' leading scorer for the 1980-81 season, shoots for two.

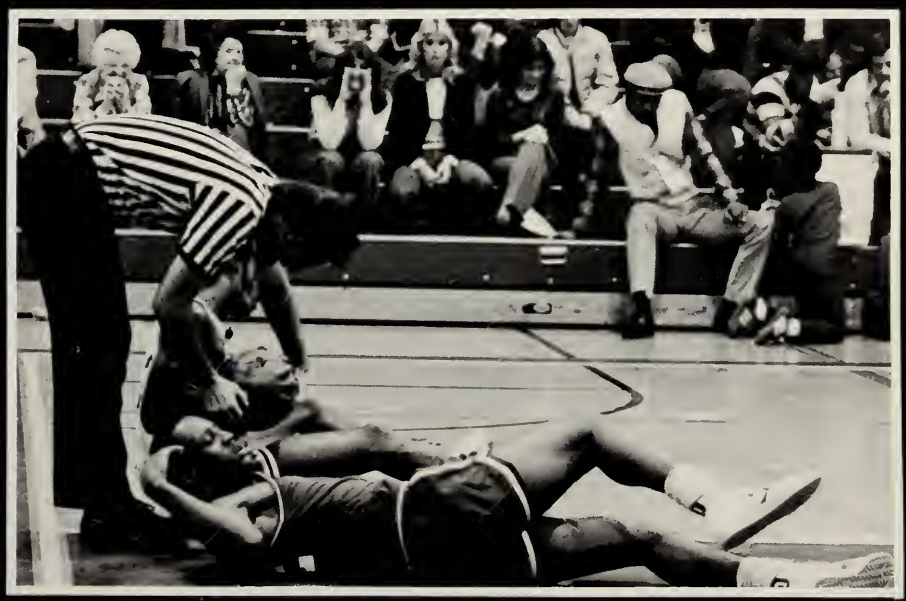


Ram netters anxiously await a rebound.

Ram and Letourneau players jump for the ball.

Wayne Treaudo gets fired up for the game.

Coach John Howterton ponders over an official's call.



"Now let **me** have the ball," says the referee to the players.

Winning became a tradition for Wesleyan this year.

"Hello, backboard," says one player.

Oftentimes, the bench is as exciting as the game itself.

"Please, coach, can I play now?" queries Danea Wilkerson.

It's a long way home from road games.

# Wesleyan Women Work On Winning

The Wesleyan women's basketball team had a successful season. They advanced to the Division II AIAW regional tournaments only to be defeated in the first round. However, this was the third year in a row that the team had post-season action. The season will go down in the record books as a "break-even" season as the Lady Rams finished with a 16-16 win-loss record. The girls played a tough schedule, and that schedule included games against several Division I schools.

With their impressive record and their advancement to the regional tournament, the women's basketball team is furthering the winning tradition that is rapidly becoming a part of Wesleyan.

The 1980-81 basketball team included: First Row: Vera DeLeon, Teresa Pigg, Samantha Morrow, Tracy Wiedeman, Bernadine Neyland, Kathy Kay, Dianne Urey. Second Row: Martha Harris, Shelly Brooks, Gwen Throne, Sharon Valentine, Jill Raspberry, Andrea Sawyer, Yvonne Hensley, Lora Yeomans, and Miriam Satern.

# Volleyball Team

The Texas Wesleyan Volleyball team, coached by first year coach Becky Hughes, had a very successful year. Long term goals were accomplished this year as experience and height were absent. The team was comprised of only two seniors and one junior with the remaining girls freshmen and sophomores. Ending the season with a record of 22-25 win-loss record, one would think there were no accomplishments. However, after a very slow start with only 14-28 by October 4th, the Rams began to make their move and surprised many teams when the State Tournament came around in November. The biggest upset was a quarter final match over Southwestern University which was rated third in the state. The final outcome was fourth in the state which qualified the girls for the Regional Tournament at Sam Houston University. The Wesleyan girls continued to play well and placed fifth in the Region.

# Rams Advance To Zone Play

The Ram baseball team ended their season with a 37-24 record. The Ram baseball team won at Conference. The team went on to win Zone at the District 8 tournament. The Rams won Zone for the first time in five years. Kyle Sanford and Darren Loy made the All-District team. Kyle Sanford was the utility infielder. Darren Loy was the catcher and the only freshman to make the All-District team. The Ram baseball team was a young team and did exceptionally well for being such a young team.

# Wesleyan Women Win State Championship

The Wesleyan Women's softball team had a very successful year. In the fall season, they won the TAIAW state championship. This was particularly significant because it was an upset victory. They lost in the first round, but they came up through the losers' bracket and defeated Angelo State in two games to cinch the championship. In the spring the women softballers placed fourth in their regional tournament. They finished in second place in the tournament that they themselves hosted here at Wesleyan. Deidre Bennett was the primary pitcher in the fall, and Connie Lawrence was the primary pitcher in the spring. Donna Sullivan served as coach for the team. This was her first year at Wesleyan.

The softball players received several honors and awards throughout the year. Yvonne Hensley was named TAIAW Division II Player of the Year. This distinguished award is voted on by the softball coaches from various schools in the division. The 3-D Award for Determination, Dedication, and Desire was given to Tina Harvey, a freshman. Kathy Kay (sophomore) was awarded the leading hitter award. Deidre Bennett and Carolyn Campbell shared the defensive player award.

All in all, the Wesleyan women's softball team had a good year. Each year they continue in the Wesleyan tradition of winning.

# Golfers Win Tenth Consecutive Championship

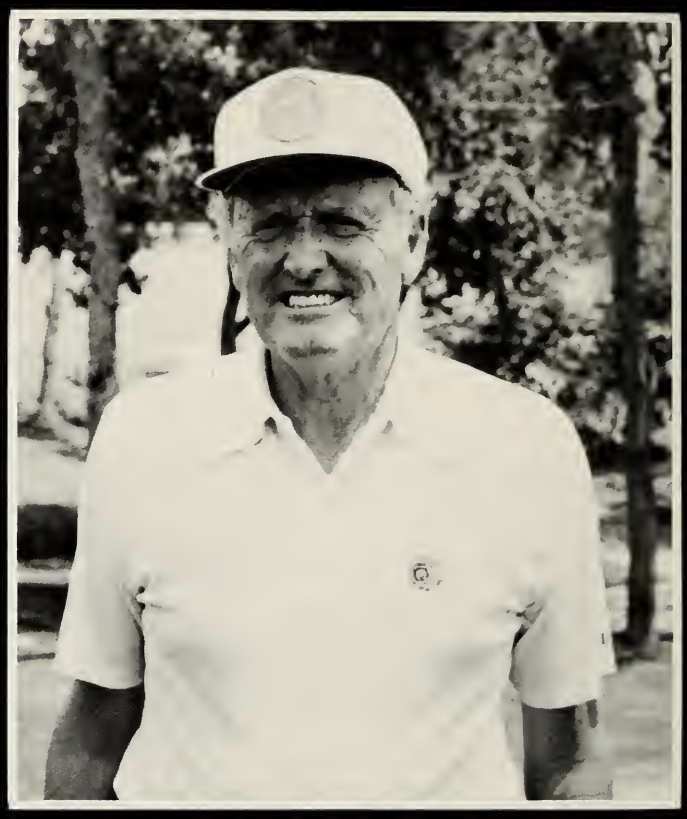
The Wesleyan golf team qualified for the NAIA nationals for the twenty-seventh time this year under the guidance of coach O.D. Bounds. The Rams have won the District 8 title the last ten years to advance to the national action. This year they came in second place in the national tournament for the second year in a row. Danny Mijovic was a medalist in the tournament, and he and Paul Lopez were named All-Americans.

Wesleyan coasted to the District 8 crown this season. The Rams carded a 54-hole team total of 865. That was seventeen strokes better than runner-up St. Thomas.

The Ram linksters have competed in eight tournaments this season and have walked away with four championships. Wesleyan won the Fort Worth Parks and Recreation tournament, the Padre Island competition, and the Abilene Invitational to complement the District 8 trophy.

Ram golfers have taken medalist honors several times this season. Mijovic was the Fort Worth Parks and Recreation champion, Jeff Smith carded the lowest score at Padre Island, and Dow Brian grabbed the District 8 tournament individual honors.

All in all, the golf team had a very successful year, and they hope to do even better next year.



O. D. Bounds coached the golf team.

The golf team included: Front: Dick Doggett, Kevin Trevor-Wilson, Dow Brian, Paul Lopez, Henry Cagigal. Randy Hague, Jamie Pipes. Back: Gary Dennis, Jeff Smith, Terry Kilgore, Leland Gould, O. D. Bounds, John Bell, Conner Stamper, Danny Mijovic.

# Tennis Team Has Successful Year

The men's and women's tennis teams had a good year. The men came in second place in district, losing by only one point to Midwestern. Kyle English won district in singles, and Ladd Rowan and English won second place in doubles. The men had a break-even season overall.

The women's team came in fourth in the state tournament, which was held at Wesleyan. They also came in fifth in regionals. The women won a tournament in Abilene. Connie Zepeda advanced to the state finals in singles action. In regionals, Mary Walling advanced to the finals in flight 4, and Gina Hicks in flight 6, both in the singles bracket. Walling and Hicks both advanced to the finals as a doubles team.

The teams were coached by Dr. Ed Olson and Jesse Bridges.

# Intramural Football Provides

Fall is the season for football, and Wesleyan is no exception. Even though there is no official Wesleyan football team, intramural teams provided comparable excitement and tension among loyal fans. Games were played each Sunday afternoon at the fields of Meadowbrook Elementary School, and there was never a dull moment. Since there were only four teams in the intramural battle this year, the race was fierce and hard-fought. Centrifugal Force proved the champions, and Lambda Chi Alpha took second-place honors. Other teams involved were Alpha Phi Omega and Pi Kappa Alpha.

"Don't you DARE tear my designer shorts!" growls David Scott as he runs with the ball.

Fierce competition abounds between the Pikes and Lambda Chis.

# ACADEMICS

# Burnett, Thurston Named

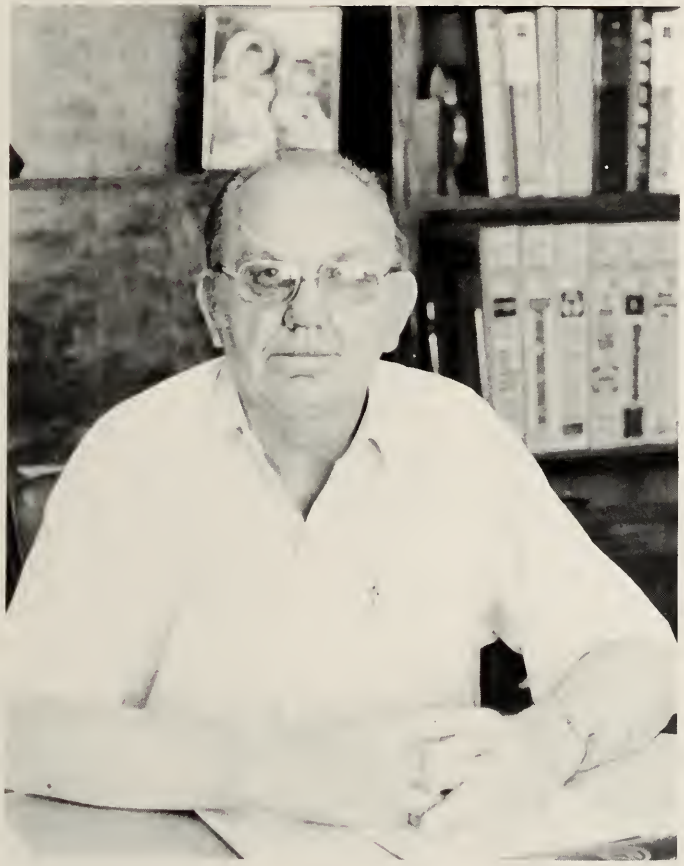
The Student Government each year selects two faculty or staff members to be honored by the "Heads Above the Crowd" award. Formerly called "Educator of the Year" and voted on by the entire student body, this year's transition occurred to keep the award from being a popularity contest. The first recipients of the "Heads Above the Crowd" award are Dr. Mary Joyce Burnett and Mr. Clay Thurston.

Dr. Burnett is a professor of business administration, and she teaches accounting. She received her bachelor's degree from the University of Oklahoma, her master's from Columbia University, and her doctorate from North Texas State University. Before coming to Wesleyan, she taught at various high schools and colleges across the nation.

Dr. Burnett is a very busy lady. She is a sponsor and member of Alpha Lambda Delta Honor Society, a member of the Preprofessional Council, the General Education Curriculum Commission, the Committee on Tenure and Privilege, and the College Appeals Board. She has also served as president of the Wesleyan Women's Club and secretary of the Athletic Committee at Wesleyan. She has received the Phi Beta Lambda Outstanding Business Professor Award, the College Teacher of the Year Award from the Texas Business Education Association, and the Faculty Recognition Award for Outstanding Achievement in Academic, Civic, Community, Professional, Scientific, and Scholarly Endeavors at Texas Wesleyan College.

Dr. Burnett, along with Mrs. Alta Dollar, has had one book published: **Business English: A Communications Approach.** Burnett and Dollar are currently writing book on business English for the community college level.

# "Heads Above The Crowd"



The Heads Above the Crowd award also goes to Mr. Clay Thurston. Mr. Thurston in the Superintendent of Buildings and Grounds here at Wesleyan. He has been here for twenty-three years. Mr. Thurston is overseeing all the campus renovation, and that in itself is a big job. He also oversees the whole campus.

Mr. Thurston received the award because "he is the one who gets called at 2:00 in the morning when the dorms leak." He is always driving around campus in his blue El Camino, going to solve yet another problem. He keeps this campus running smoothly and efficiently, and he deserves the praise and gratitude of all Wesleyan students, faculty, and staff. Clay Thurston is truly a "Head Above the Crowd."

Another year. We greet old friends. We make new friends. We smile. We pack away summer clothes. We wade through registration. We watch classes close. We grab the wrong class cards. We cry when we get to the pay table. We stand in bookstore lines. We spend money. We spend too much money. We check out the freshmen. We tremble through rush. We pledge. We go to class. We smile at the professor. We growl at the professor. We study. We play. We watch the election returns. We see Ronald Reagan become the new President. We cheer the Rams on to victory. We celebrate. We are pleasantly surprised by a twelve million-dollar donation from the Wests to build a new library. We park on campus. We park off campus. We collect parking tickets. We dance. We go to Mama's. We hear of John Lennon's murder. We weep. We pray during the silence of a free throw. We pray during the silence of a dawn. We take part in Greek Week. We have fun. We laugh. We cram. We have finals. We try to make up for the whole semester in a week. We don't succeed. We cry. We graduate. We live.

We are the students of Texas Wesleyan College, and this was our year.

LARGE

Here shall begin a new round of earthly life, to end in death. No guardian spirit will cast lots for you, but you shall choose your own destiny. Let him to whom the first lot falls choose first a life to which he be bound of necessity. But Virtue owns no master: as a man honours or dishonours her, so shall he have more of her or less. The blame is his who chooses; Heaven is blameless.

—Plato

Though this be madness, yet there is method in it.

—William Shakespeare

Well, it's been a long year. It's been real. There were times when it didn't seem worth it, but now that it's over, the bad times don't seem so bad, and the good times are what we remember.

This book is in your hands because of the people on these pages. I would like to thank my dedicated staff: Joy, my assistant editor, who always came through in a pinch, and Carolyn, whose patience and perseverance paid off in the end.

The pictures in the book came from the following: Norman Hoover, one of the best photographers on the campus (I never would have made it without him, both his pictures and his patience), Lee Jones, and Troy Smith. Additional thanks goes to the volunteer photographers — Kathy Caison and Brent Morris.

Very special thanks goes to Brigitte Lueck for helping us out in emergencies and listening to our amateur photography questions.

The artwork on the cover was provided by Cheryl Hoover, and Gary Shaw provided cartoons throughout the TXWECO. They both did a marvelous job.

The **Rambler** staff and Mrs. Langston helped out enormously, and undying gratitude goes to them.

Lastly, I would like to thank Dean, Debbie, Linda, Momma, Jake, and Jane for listening to me rant, rave, scream, yell, and say nasty things. They are the ones who helped me keep my sanity long enough for the book to be finished.

Enjoy!

Keats said, "A thing of beauty is a joy forever."
Life, like a rose, can be beautiful.
The beauty of a rose is forever,
Just as a life is forever.
Life on earth may be short —
It may be ended tragically or too soon,
But that life will always be remembered
As will the beauty of a rose.

**We will always remember**
